**Curriculum Feedback Collection,  
Analysis and Action Taken Report**

**For  
Odd Semesters (Sem I and Sem III)  
Academic Year  
2024-2025**

**Program  
MSc Biotechnology**

# SYMBIOSIS SCHOOL OF BIOLOGICAL SCIENCES

## Symbiosis International (Deemed University)

[Established under section 3 of the UGC Act, 1956]

Re-accredited by NAAC with 'A++' Grade | Awarded Category - I by UGC

Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

### Action Taken Report for Academic Year 2024-25

| Sr. No. | Particulars/Action Point                                                                                                                                                                                                                                                                                                                     | Action Taken                                                                                                                                                                                                                                                     |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1       | Inclusion of topic in existing course: <ul style="list-style-type: none"><li>• The developmental biology</li><li>• Antiviral drugs</li><li>• Dissection of different animals</li><li>• Application of FISH, coregenetics.</li><li>• Coding languages</li><li>• Machine learning and Programming languages</li><li>• T-test, Z-test</li></ul> | Topics such as T-test, Z-test are already included in the syllabus of Research Methodology and Biostatistics subject in the next semester. However, the coding and programming languages can not be included due to the unavailability of expertise and credits. |
| 2       | Inclusion of New course<br><br>No suggestion for inclusion of new course                                                                                                                                                                                                                                                                     | NIL                                                                                                                                                                                                                                                              |

| Feedback is collected twice a year towards the end of odd and even semesters. At the end of odd semesters the feedback is compiled and presented to the subsequent Institutional Quality Improvement Cell (QIC) meeting followed by the Program Review Committee (PRC) meeting. |                                                                                                                                       |                                                                    |       |                                                     |          |                   |
